Good-bye to You

(sung to the tune of "Happy Birthday")

Good-bye to you,
Good-bye to you,
Good-bye, friends and classmates,
Good-bye to you.

Together we played.
Together we learned,
And together we're singing
Good-bye to you!

She'll Be Rolling

(sung to the tune of "She'll Be Comin' 'Round the Mountain")

She'll be rolling down the hill now when she comes.
She'll be rolling down the hill now when she comes.
She'll be rolling on her new skates,
She'll be rolling on her new skates,
She'll be rolling on her new skates when she comes.

She'll be zooming down the hill fast when she comes. *(Zoom! Zoom!)*
She'll be zooming down the hill fast when she comes. *(Zoom! Zoom!)*
She'll be zooming like a jet plane,
She'll be zooming like a jet plane,
She'll be zooming down the hill fast when she comes. *(Zoom! Zoom!)*

And she'll snag a net and kite when she comes. *(pretend to grab net, kite)*
And she'll snag a net and kite when she comes. *(pretend to grab net, kite)*
Then she'll swerve off without stopping,
Yes, she'll swerve off without stopping,
As she snags a net and kite when she comes. *(pretend to grab net, kite)*

Then she'll crash into a wedding when she comes. *(clap hands)*
Then she'll crash into a wedding when she comes. *(clap hands)*
And she'll end up with the bride's veil,
Yes, she'll end up with the bride's veil,

As she crashes through a wedding when she comes. (*clap hands*)

Climb On!

(*sung to the tune of "Itsy Bitsy Spider"*)

Climb aboard my sled now,
We're going down the hill.
Hurry and get ready,
It won't be long until,
We're whizzing down a snowy slope
And laughing all the way!
Let's get the countdown started,
As off we go today!
10, 9, 8, 7, 6, 5, 4, 3, 2, 1, ZOOM!

If Your Name . . .

(*sung to the tune of "If You're Happy and You Know It"*)

If your name has one word part, please stand up.
If your name has one word part, please stand up.
If there's one part and you know it,
And you really want to show it,
If your name has one word part, please stand up.

Add verses for names with two, three, four, and five syllables, as needed.

Who’s on the Hill?

Up on that hill,
Who do you see?
I see <child’s name>
Looking at me.
<child’s name>, <child’s name>, <child’s name>! Hooray!
