- tumbleweed (real or a picture)
- word card tool
- written materials from the week (charts, drawings, etc.)

Books

The Three Little Javelinas by Susan Lowell

A version of the classic tale *The Three Little Pigs* set in the desert, this story highlights the materials of the environment as the pigs build houses to protect them from the coyote.

The Three Little Pigs by Paul Galdone

The classic story of three pigs who build houses out of straw, sticks, and bricks and the wolf who tries to blow the houses down.

Tap Tap Bang Bang by Emma Garcia

It's tool time as all the tools work together to build a surprise structure in this colorful introduction to tools and the sounds they make.
