Songs

The Boy Plants a Seed

(sung to the tune of "The Farmer in the Dell")

The boy plants a seed,
The boy plants a seed,
Hi, ho, watch it grow,
The boy plants a seed.

The boy waters the seed,
The boy waters the seed,
Hi, ho, watch it grow,
The boy waters the seed.

The boy pulls the weeds,
The boy pulls the weeds,
Hi, ho, watch it grow,
The boy pulls the weeds.

The carrot comes up!
The carrot comes up!
Hi, ho, watch it grow
Just like he knew it would!

I'm a Little Brown Seed

(sung to the tune of "I'm a Little Teapot")

I'm a little brown seed
In the ground.
I need the sunshine,
I need the rain.
If you are patient
I will grow.
Roots, stem, and flower,
Grow. Grow. Grow.

Good Morning

(sung to the tune of "Happy Birthday")

Good morning to you,

Good-bye to You

Clap a Friend's Name

Clap a friend's name.
Follow me.
One clap, two claps,
Or maybe three.
Copy, copy, copy me!

A Seed Is Planted

A seed is planted
deep, deep, deep. *(tuck into a ball)*
In the soil it
sleeps, sleeps, sleeps. *(place hands together on side of face)*
Yellow sunbeams
bright, bright, bright.
Raindrops falling
light, light, light.

Unit 7, Week 1 (CONTINUED)

Gentle breezes

blow, blow, blow.

The tiny seed begins to grow. (*stand up with arms stretched out*)
